

REBELS SCATTER. BOERS' ADVANCE.

Gen. Otis Confirms the Press Dispatches in Regard to Gen. Schwan's Campaign.

FILIPINOS RETIRE ON OUR APPROACH.

Gen. Otis Disapproves of the Families of American Officers Joining Them at Manila.

No Provision for Them Can Be Made—The Families Should Wait for More Peaceful Conditions—Manila Population is Much Congested.

WASHINGTON, Oct. 12.—A cablegram from Gen. Otis to the war department received late Wednesday afternoon confirms the press dispatches regarding Col. Schwan's movement on San Francisco de Malabon. Gen. Otis says:

"Schwan was unsuccessful Tuesday in driving insurgents south with loss from Francisco de Malabon. He reports their force disintegrated and retiring on divergent roads, which are impassable for artillery or wagons. No news of his trying this again, as he is trying permanently or temporarily to transport will return by way of Rosario and columns will move in direction of Dasmariñas, probably retiring on Imus. Country o. no strategic importance."

Gen. Otis disapproves of officers' families joining them at Manila. Regarding this question he Wednesday cabled the department as follows:

"Population Manila much congested. No provision for their families can be made. Those already arriving together with families enclined me to have caused much perplexity. Would not permit my own family to come under existing circumstances; all officers and men here absent from Manila or duty; families should await more peaceful conditions."

Another message announced the arrival at Manila of the transports Victoria with 408 horses; 10 died en route and several found to be afflicted with which were shot. The Garonne sailed from Manila on the 7th and the Athenian on the 9th, both for Seattle.

FIRING NEAR ANGELES.

The 13th Infantry Lost Two Battalions—Commanders—Several Americans Were Wounded.

MANILA, Oct. 12.—During the early morning hours Wednesday there was some firing near Angeles, with the result that eight Americans were slightly wounded. Artillery was used and the enemy responded. Gen. MacArthur does not attach special significance to the incident.

A small party of Americans was fired upon by the Filipinos near Arayagan, two of our men being wounded.

The 13th infantry lost two officers, Capt. Marion B. Safford and Capt. Woodbridge Geary, both battalion commanders.

Transportation of Bicycles.

CHICAGO, Oct. 12.—The Central Passenger association Wednesday decided to fix a charge for the transportation of bicycles, which, it is planned, will be taken to trunk line stations. The half the regular excess baggage rate. It was decided to fix the Thanksgiving day rate at one and a third fare between points one further than 150 miles apart.

III With Yellow Fever.

SANTIAGO DE CUBA, Oct. 12.—The Mobile line steamer Flanders, Capt. Hanson, has arrived here with her first officer and chief engineer ill with yellow fever which they had contracted at Havana. The chief engineer, it is thought, will die. The ship has been strictly quarantined.

Earthquake shocks.

MILWAUKEE, Wis., Oct. 12.—Specials from Racine and Kenosha, Wis., say what is thought to have been an earthquake was felt in those places. In many houses dishes and windows were shaken. The course of the earthquake seemed to be east and west.

Blow Open the Safe.

HUTCHINSON, Kan., Oct. 12.—Five masked men blew open the safe in the state bank of Topeka, and made off with \$100,000. The hotel had been closed for the season.

Telegrams Censored.

LODGE, Oct. 12.—The military authorities in South Africa have instituted a censorship over all telegrams in order to prevent information on regarding British movements from reaching the Boers.

Gen. McClelland Seriously Ill.

SPRINGFIELD, Ill., Oct. 12.—Gen. John A. McClelland is again in a serious condition. He is nearly 90 years old and for that reason there is much apprehension of the result of his present illness.

It is Rumored That Their Forces Have Been Moved Upon Charlestown.

THE FREE STATE BORDER CLOSED.

Many Subjects of Foreign Countries Have Gone to the Border to Fight for the Transvaal.

British Residents Also Take Oath of Allegiance—Gen. Buller's Army Corps Will Be Escorted to South Africa by War Ships.

LONDON, Oct. 12.—A dispatch to the Daily Telegraph from Ladysmith dated Wednesday, alone among the specials received, declares that war has begun in Natal. The author of the dispatch says: "Free State burghers have seized a train at Harrismith, which was the property of the Natal government. Tuesday night a mounted patrol was stoned by Boers. The men's orders were not to fire unless they were fired upon."

LONDON, Oct. 12.—A dispatch from Glencoe Camp, dated Wednesday noon, says the burghers are reported to be beyond the president's control and hostilities are expected at any moment.

DURBAN, Oct. 12.—Authentic information from Ladysmith confirms the report that it is the intention of the Boers to occupy Newcastle immediately.

NEWCASTLE, Oct. 12.—No news has been received here as to the rumored advance of the Boers upon Charnwood, but a movement in the Boer camp is reported.

W. H. H. Hoyle Escombe, former premier of Natal, intends to remain here.

The Free State border has been closed. Nearly all the inhabitants have left the town.

Up to midnight Wednesday no dispatches have arrived from the Cape, since the expiration of the ultimatum, so it is not yet known whether the first was ever sent.

A telegram from Pretoria, timed Oct. 12, last evening says: "The situation is becoming hourly more critical. Numerous Americans, Germans, Frenchmen, Swedes, Belgians, Norwegians, Danes, Italians, Dutchmen, Swiss and Cape Afrikanders have gone to the border to fight for the Transvaal although they are not burghers, while many British residents have also taken the oath of allegiance. The horse is expected by many that war will yet be averted."

Nothing since this has been received from Pretoria and doubtless telegraphic communication with the Transvaal is not cut.

The absence of news from the Cape since early morning is not due to an interruption of the cable, but to the immense pressure of work, the cables probably being nearly monopolized by British government dispatches, which take precedence of all others. Only two cables run to Cape Town from Europe and the one from America is almost very slow, so that practically all the work is thrown on one Atlantic cable, which means that the present exasperating delay will recur repeatedly during the progress of the war, and that the newspaper dispatches will probably be very meager.

London, Oct. 12.—Great preparations are being made at Southampton for the departure of the British Army. Gen. Sir Redvers Buller, a great don, and a great don, the Duke of Connaught, the Duke of York, Lord Lansdowne, Gen. Lord Wolseley and Gen. Sir Evelyn Wood are expected to accompany him to Southampton from London.

It is announced that the fleet of transports conveying Gen. Sir Redvers' Buller's army corps will be escorted by war ships, while further dispatch boats and gunboats will be sent to South African waters.

The government has already expended \$3,000,000 in naval and military preparations, the orders placed with contractors this week alone amounting to \$200,000. The authorities anticipating a serious reduction in the output of the South African coal mines, has ordered 3,000 tons of English steam coal to be sent to the Cape for the use of the war ships.

Gen. John C. Black, of Chicago, took as his topic: "The northern patriot." Gen. W. Lockett, of Henderson, Ky., recited the victories of "The Stars and Stripes."

He said in part:

"It is not difficult to account for the patriotism of the southern people. A common heritage in the revolutionary war, in the formation and adoption of the constitution, in the administration of the government, in political development; and in the great names which adorn our history, was like some great centrifugal force impelling us to a common destiny. The broad patriotism, the unbounded benevolence and the enlightened statesmanship of Abraham Lincoln were far-reaching factors in the problem."

"We are here as members of the family, not as guests, to unite with our fellow citizens throughout the republic to form a nation, to defend and defend the honor of this land, to preserve for ourselves and posterity the integrity of its free institutions."

Gov. D. W. Jones, of Little Rock, Ark., paid a glowing tribute to "the old veteran at the passing of the nineteen century."

Gen. John C. Black, of Chicago, took as his topic: "The northern patriot."

Gen. W. Lockett, of Henderson, Ky., recited the victories of "The Stars and Stripes."

He said in part:

"At the opening door of a new century, with thankfulness and praise to God that we live in this land of constitutional freedom, we salute and stand, re-united, fraternized and standing under one head of his union."

The banquet closed long after midnight with a speech from Gov. Mount of Indiana. "Our government" in which he pictured the gathering as alike guests of the blue and the gray as alike guests of the state and of the country, re-united, fraternized and standing under one head of his government."
